#### **REACHING FOR AIR by Gayle Lauradunn**

**Description:** This poetry collection tells the story of a childhood spent in a landscape full of beauty, hardship, and violence. In their restless yearning and relentless motion, these poems feel completely American. Interspersed with the voice of the child is that of the adult woman, as both an extension of the child and as a counterpoint to the child's experience. This is poetic storytelling at its finest.

#### **Love on the Brink of History by Hannah Rappaport**

**Description:** This is a memoir of transformation from "valley housewife" to Gnostic Priestess. It was a ten-year initiation by the mystic "Christ Within" under the auspices of a Hungarian Gnostic Bishop and scholar of pre-Roman Catholic apostolic lineage. I began writing this book in Topanga Canyon, Santa Monica Mountains. But it took the great skies of Northern New Mexico and the supportive writing community of Taos to complete it.

## Winter of the Metal People: The untold story of America's first Indian war by Dennis Herrick

**Description:** This historical novel is the only book devoted to America's first Indian war -- the Tiguex War of 1540-42. The Coronado expedition's Spaniards and Mexican Indian allies fought the war against Pueblo Indians along the Rio Grande, between present-day Albuquerque and Santa Fe in New Mexico. This novel presents the first account of the war from the Puebloan point of view.

## JNG Cartoons by Jaenet Newell Guggenheim

**Description:** Jaenet drew these cartoons in 1994. As you flip through this collection, you will find yourself snickering, snorting, and yes, perhaps even rolling on the floor. Horses, in Jaenet's world, converse with each other about typically interesting things, such as new shoes and where to go for the winter. These candid glimpses of how horses really view themselves (and us) offer you a sweet and funny world.

## The Land: Our Gift And Wild Hope by Rae Marie Taylor

**Description:** Poet and essayist Rae Marie Taylor's beautifully written and compelling essays reveal a story of loss due to the many pressures bedeviling land and water in the Southwest. Yet the book also reveals vigorous hope and renewal among Westerners collaborating in sustainable approaches. Eyewitness accounts, interviews, lively anecdotes, and an occasional poem inspire within the reader a deepening affection for the earth.

## The Book of Matt: Hidden Truths About the Murder of Matthew Shepard by Stephen Jimenez

**Description:** What role did crystal meth and other previously underreported factors play in the brutal murder of gay college student Matthew Shepard? *The Book of Matt* humanizes and de-mythologizes Matthew while following the evidence where it leads and without regard to the politics that have long attended this tragedy. *The Book of Matt* proves irrefutably that Shepard was not killed for being gay but for reasons far more complicated — and daunting.
