Wednesday's Wisdom a guide to 52 weeks of personal growth by Robin Anderson

Description: Wednesday's Wisdom offers personal growth in bite-sized pieces through thought-provoking stories and follow-on exercises written in an inviting conversational style. Also included is a Roadmap for a Wildly Fulfilling Life, providing action steps to create a more satisfying life. Gratitude check-ins and opportunities for reflection are sprinkled throughout the book, to help clarify what the reader truly wants. The year's worth of wisdom can be digested in any order.

ALBUQUERQUE'S NORTH VALLEY by Francelle Alexander

For centuries, a strand of settlements was built along the Rio Grande by the ancient Pueblo peoples, many of which disappeared before and during the Pueblo Revolt in 1680. In the 1700s, when the Spanish returned, they built villages along the Rio Grande, not only what is now Old Town but many others.

KILLING TIME by Roberta Parry

At age 15, Boston Brahmin Reggie Patterson spent a year in Northern Arizona where her anthropologist father was studying the Hopi. There she found a way of life and first love she meant to leave behind, but never did. At 35, she finds her privileged life superficial and empty. She returns to Arizona in quest of the woman she wanted to be, and to finally lay her ghosts to rest.

Awaken Your Inner Golfer: Finding Your Flow by Jerry Brown

Awaken Your Inner Golfer: Finding Your Flow guides new and experienced golfers in honing their skills by awakening instinct rather than attempting to follow complex directions. It provides an uplifting alternative to traditional golf instruction, which can cause "paralysis by analysis," resulting in frustration and lack of enjoyment.

GRANDPA LOLO'S MATANZA: A New Mexico Tradition by Nasario Garcia

The matanza tradition in New Mexico started before New Mexico was a state. This was the way villagers fed a large family or even an entire village. The pig roasting or matanza, used the entire pig, and was a celebration. The matanza usually was held in the cool weather because there was no refrigeration.

What Makes a Rainbow? by Ross Van Dusen

Description: We have all seen a rainbow but do we know how they happen? Artist Ross Van Dusen takes a whimsical look at how a rainbow comes to be. A child looks at the colors, the rain, and the sky to give an explanation of why rainbows are in our world. The art is an amazing collection of images that children and adults will fall in love with over and over again. Rainbows will never be seen the same way again.

My Real Hue by Daniel Yves Eisner

The events leading up to being liberated from a highly dysfunctional family led by Holocaust survivors. This memoir is just as much about the painful process of becoming estranged from one's family as it is about what the Holocaust did to someone who was forced to leave her motherland. In the end, the author is freed from his toxic family to live a happy, fulfilling, and loving life.

UNSOLVED by Don Bullis

Description: There are few subjects that fascinate people as much as a good mystery. New Mexico has always been an enigmatic place, filled with rich history. This book explores forty-four of NM's most baffling mysteries, which lure the curious and beg for investigation even though their solutions have eluded experts, many for decades. Leave it to Bullis to open my eyes to a whole new world of outlaws, crooked politicians, and puzzling crimes.— Anne Hillerman

Basic Genealogy Checklist by Henrietta Christmas & Paul Rhett

Description: Today, genealogy ranks second as a hobby only to gardening as the most searched topic online. According to recent market research, an estimated 100 million people spend over a \$1,000 a year in search of their ancestors. Many of these family historians use online genealogy services to pursue their quest. This group of "pajama" genealogists is projected to grow by almost 40 percent in the next ten years. Seeking one's family history is exciting to people of all types, no matter whether they be experienced professional genealogists or just starting the adventure.

The Fly Fisherman's Bucket List by Slim Randles

Description: Welcome to the Great Fly Fishing Race! With this book, you see, it's really a race to see how many of these hundred-plus top places to catch fish in America before you starve to death, because you're having fun instead of working. The fly fishing experts in each state steer you to their own hotspots, tell you when to fish and which flies work best. The rest is up to you. And remember, it isn't nice to drown worms! Take this trip with a true-outdoors person: Randles has packed mules in the High Sierra, competed as a roper and bulldogger in rodeo, guided hunters in Alaska and New Mexico, and drove a team in the first Iditarod Dogsled Race. Join him for some real fun!

Complete Santa Fe Bucket List by Pat Hodapp

Description: [This] makes me smile and reminds me of many of the reasons I love Santa Fe. Hodapp combines a librarian's obsession for getting things right with her passionate, on-going love affair with her adopted home town. This gem of a book offers unique and valuable suggestions for visitors and locals, things to see and do for all ages, in all price ranges, throughout our fascinating ancient city. Her recommendations include places to eat – one of my personal favorite ways to explore any city. Written with witty prose and honest personal insights, this useful little guide combines fun and facts in a delightful way. I highly recommend it. – Anne Hillerman
